

atlas concorde ARTY

Atlas Concorde's Decorative "Wave" in the Arty series rides the trend of structured wall tile. This 16 x 32 is pure elegance with three classic options: matte white, matte cream and glossy white. Used as an accent or in an entire area, it creates drama without being overwhelming. Suitable for use in commercial and residential interior wall applications.

Sugar (ACAYSR)

Milk (ACAYMK)

White Glossy (ACAYWG)

Colors are intended as a guide only and may vary from actual tile. Sizes listed are nominal. Please check samples before making final selection and to get actual dimensions for layout.

ACAY--/1632W 16 x 32 Wave

Coordinating Trim

It is possible to find other products that coordinate with the Arty colors. For example, the trim pieces from Lanka Tuxedo's are good options.

For use with:

- ACAYSR try color Matte White (LATO1M/PB112, LATO1M/A112, LATO1M/AC)
- ACAYWG try color Glossy White (LATO1G/PB112, LATO1G/A112, LATO1G/AC)

Schluter also offers different options for finishing pieces to use with structured wall tile.

Coordinating trims should be presented with an understanding that there will not be a perfect match and there may be some variation from production run to production run.

Installation Information

Arty "Wave" is intended for interior walls. If installing with a cement-based adhesive, it is recommended to use flexible setting material that meets the ISO S1 standard (e.g. Servolight by Kiesel). All substrates should be properly reinforced to be sure there is no movement. Wood studs need to be dry and properly braced with a minimum depth of 3-1/2". For mortar installations, the mortar bed has to be cured (less than 2% humidity) and has to have proper reinforcing.

Due to the nature of this large format wall tile, orders must be for full boxes only. Please note that we do not accept returns in general. In the rare occurrence that we make an exception and do take a return of this product, only factory sealed boxes can be accepted.

Usage

Arty is suitable for use in commercial and residential interior wall applications.
