

FLOORTECH

MADE IN ITALY (50B)

With Floortech, Floor Gres brings the quality of a technical Italian full-body porcelain to the stone-look. Each color represents a different, popular stone. All four stone colors are available in the "Soft Finish" which looks and feels like a honed stone. Like real stone, the Soft Finish will vary in surface texture depending upon the stone color. Suitable for both commercial and residential installations.

Trim

The factory is switching to 2 x 24 Surface Bullnose from the current 3 x 24 Surface Bullnose. This change will occur color by color over a period of time. If there is a concern about a particular order (i.e. a job continuation) please contact us to find out which version we currently have.

Surface Bullnose is made from field tile that is cut, ground and reglazed.
